

Aviators Host Guidelines

- 1. We ask that anyone who is showing signs and symptoms of COVID-19 or other illness to please not attend any events held in our facility.**
- 2. Please be sure to take your temperature before you leave to attend an event in our facility, and if above 100, please do not attend. We may take attendance at the door as well.**
- 3. We will ask people not to show up more than 20 minutes prior to when they are scheduled to compete. This is to ensure the group before you will have ample time to complete wrestling and clear out of the facility prior to your entry.**
- 4. There is no eating in the wrestling space. We have a lobby where you will be able to eat and drink.**
- 5. Please be sure wrestlers' fingernails are clipped prior to showing up for your first match.**
- 6. We expect everyone to be respectful to everyone else at the facility. We are fortunate to be able to provide wrestling opportunities to kids and we ask that we all remember that regardless of the situation.**

Looking forward in seeing you at Aviators!
